

A vibrant, hand-drawn illustration centered around the word "EUROPE". The letters are large and stylized, each filled with different patterns or colors like stripes, polka dots, or solid colors. Surrounding the letters are numerous drawings of fresh produce: watermelon slices, grapes, kiwis, pears, corn cobs, broccoli, carrots, peas, avocados, blueberries, eggplants, pumpkins, radishes, lemons, and tomatoes. In the top left corner, there's a small cartoon character holding a glass of milk. In the bottom left corner, the European Union flag is depicted. A horizontal black band runs through the center of the image, containing the text "šolska shema Evropske unije" written in a yellow, cursive script.
